RESEMBLING THE NAME OF MUHAMMAD

S.A.W. IN ARABIC

THE ISLAMIC MIRACLE PHOTOGRAPHS OF DR

UMAR AZAM

JUNE 2015

INTRODUCTION

The shape found on the banana resembles the name of Muhammad

S.A.W. in Arabic when this holy name is written length-ways, thus:

rather than downwards:

The bunch of bananas was bought from Br Baaz, a Kurdish Muslim shopkeeper, who is the co-owner of Ava Fruit and Veg Store, Yarburgh Street, Whalley Range, Manchester, UK, on Friday 5 June 2015 and this shape was spotted two days later. The photographs which follow are all of the same banana; one photograph is normal whilst the rest have been illuminated; one or two pages are blank because each photo takes a whole page, no matter what its size, so please keep on scrolling downwards until you come to the end:
